

Coldfall Teaching School

Inspiring Leadership Day Wednesday 18 January 2017

Refreshments, lunch and course materials included; £100 per delegate; 9.30—3.15 (approx)

- **Come and see an outstanding school in action**
- **Take a look around**
- **Meet the SLT, listen to their story**
- **Share ideas and plans in a relaxed and informal setting**

The day will include a talk on school leadership by **Evelyn Davies** who over the last 20 years has seen her school expand from a one-form entry to a large primary of 680 pupils and 100 staff. The school has gone from failing to **thriving** and has now been an **Outstanding** school for over 10 years. Coldfall is a **National Support School** and Evelyn is a **National Leader of Education**.

This has proved to be one of our most popular days and has received excellent feedback. Many schools book the whole leadership team and find it is a great opportunity to discuss and share ideas between team members.

On the day there will be opportunities for leadership teams to take a tour of the school as well as meeting with the SLT for a question and answer session.

'Inspiring day. It's great to see the impact throughout the school.'

GK Goldsworth Primary School, Surrey
