Dear Sixth Form Head Teacher

Safe Drive Stay Alive (SDSA) Bernie Grant Art Centre 14/15/16 March 2018

We are again hosting this SDSA production in the borough for March 2018.

SDSA is an informative, empowering production for our young people aged 16 and over. Recommended for passengers, learner drivers and those already hold a driving licence.

The production consists of a bespoke film and messages delivered live by working members of the emergency services and emotional speeches from a victim's relative and a survivor of their own road traffic collision.

The focus is on key messages of peer pressure, distraction, speed, wearing seat belts and drink/drug driving.

SDSA is fully supported by TfL and all emergency services. In terms of impact, there is no other educational production that we would recommend to our schools, that delivers all of these potentially life saving messages. We appreciate that attending SDSA does mean a few hours away from formal education, but we cannot measure how many young people do change behaviour and so avoid becoming a tragic statistic. We can provide TfL's official evaluation of the scheme and a report from the post evaluation data from our own 2016 event, contact me for a copy.

BOOK NOW!!!!

The best way to ensure that all of your eligible pupils are able to access the information is to adopt a **'whole group'** policy, not an optional/opt-in policy. We receive funding from Transport for London (TfL) which includes offering coach transport to and from the venue.

Transport is ordered based on the seats pre-booked, as this is a high cost element to this project.

To book please complete the attached form with your 1st and 2nd choice of date and time.

Booking confirmations are needed now.

We want as many students as possible to attend however, please be aware we do book coaches to transfer your students and we still get charged when your students do not attend. The cost per student including coaches is £12 per head, therefore, we reserve the right to recharge these costs to the school where the school fails to attend.

Yours faithfully,
Wendy Thorogood
Active Travel Officer

We look forward to including your school and young people at one of the events 14, 15 & 16 March. Please contact me with any questions.

Safe Drive Stay Alive (SDSA) 2018
SDSA Booking Form

Venue:

Bernie Grant Arts Centre, Town Hall Approach Road Tottenham Green N15 4RX

Date : 14, 15 & 16 March

School/College/Academy _____

Number of students aged 16+ attending _____

Number of staff attending _____

Do you require transportation to and from the event? _____

Each performance can accommodate 250 people so consider this when requesting timings. If you have more pupils than that consider splitting over 2 days

Wednesday 14th	Thursday 15th	Friday 16th
AM Sorry not Available	AM 20 seats left only Fortismere booked	AM 10.00 210 seats
PM 1:30 250 seats	PM 1:30 134 seats	PM 1:30 150 seats

***Please select two performance options for which your school will be able to attend.**

One of these choices will be allocated to you by the organisers.

n.b. Once your event transport is confirmed we will have to recharge costs if you cancel.
