

Car Free Day 22 September 2018

#carfreeday

We are inviting schools to promote National Car Free Day for the Friday 21st September 2018. Check out the Activity Card on [STARS](#)

This will link with your promotion of Walking to School for October and get the families thinking that walking is quicker than driving especially the new families at school.

*** Competition Time ***

We are running a competition for KS1 and KS2

Write a story or draw a picture titled

The Day All the Cars Disappeared!

How did everyone find out? How did you get around?

What did Dad say? Who had the most fun?

What was the funniest thing that happened?

We would like entries from schools from all ages, we will choose winners from each school and send out prize bags by the end of half term. Winning entries will be printed in a book for the whole of the borough to enjoy.

Promotional poster included with this mail out.

Send to Smarter Travel, 1st Floor North, 225 High Road, Wood Green, N22 8HQ - Via internal school post

Competition Deadline 21 September 18

Awards, Training and Celebrations

We have been busy over the summer nominating schools for awards, so fingers crossed for a lots of winners.

Look out for the invitation from TfL regarding their awards ceremony in November. Look out for Top Schools awards too. Our borough training sessions will be in your school, so just ask us to visit and we will come and talk to staff and pupils for JT and STARS training at your request.

Welcome Back to a New School Year 2018/19

Welcome Back Request

Please can we make sure that:

Our schools entrances are safe places for our young people.

We urge you to say to your parents/carers:

Walk, bus, train, scoot, cycle, run, jog, hop, skip, jump but PLEASE do not drive and park at the school gate.

Can we request that your Tweets, website, Facebook, newsletters and assembly messages, welcoming your school families back after the break, contain warnings that the Civil Enforcement Teams will be working around schools and issuing £130 parking fines for stopping on the yellow 'School Keep Clear' markings.

News:

CCTV Enforcement cameras are live at Lancasterian (temporary) and St Mary's Primary Schools Rectory Road N8 (permanent)

Hari Bear

Walk Zones

Air Quality

Orienteering 'Find Hari' - all years

Our bears will be again

hiding in a park near you, in October and November take your class and Hari to find them. Maps and info will be emailed to you. Ask us for support.

Use this resource to develop geography -map reading skills, increase physical activity and learn about our fabulous parks.

Links: English, Geography, History, Maths, Science

STARS: Walking Trips, Maps, Journey Planning

Key Stage 1

Hari Bear in Class

Improve your active travel figures. Get your infants thinking about getting some exercise on the way to school. Your new Hari Bear Wall Charts, journals and certificates posters and badges will be delivered by internal post.

- * Hands up survey (Each term)
- * Who has most active travellers?
- * Pupils take him home and write in his journal what he has been doing.
- * Hari gets car sick—so no car rides.
- * Keep checking the charts to see which class has the most Active Travellers

Hari Bears 2nd Big Adventure Key Stage 1

Hari Bear in 2016 was a great success, so we are doing it again. Please see accompanying letter. Every school taking part will receive a box of prizes to use in school to encourage walking, scooting, cycling and using public transport. We will be calling you in September to confirm that you are taking part.

Walk Zone Maps

We have now funded 23 schools with their own Walking Zone.

It is vital that we all work together to discourage cars coming to your school area. This includes staff too.

Schools with a walk zone should promote it with every parent/ visitor and make it easily accessible on your website. All maps can be found on www.haringey.gov.uk/schooljourneys

If your school has more than 20% of pupils coming to school by car, please contact us to see if we can help. 020 8489 5351

Air Quality Assembly and Lessons

Many of you have now met Michael Oskys our AQ apprentice if you would like an assembly or some AQ lessons please contact him.

Michael.oskys@haringey.gov.uk

Air quality affects your children with asthma, sign your school up to receive Air Quality alerts to keep your school community informed!

School Travel Planning

So do you want to be Gold or Silver??

You **must be Registered on STARS**

& complete a hands up survey asap

Our highest achieving schools involve the pupils (JTA) and tell all staff how their work feeds into the accreditation and travel plan.

Book a JTA training session with us now smarter.travel@haringey.gov.uk

STARS

Hands Up Survey: the new site can monitor 2 or 3 surveys per year to compare, or monitor specifics like cycling, scooting, walking etc. You can create a link for teachers to complete in class directly into the system.

Issues: *Please make sure you know your Road Safety/School Travel Issues.*

Our engineers look at your STP to support your requests for engineering changes in your area and Essential Parking Permits!

Wendy.thorogood@haringey.gov.uk

Junior Travel Ambassadors

JTA + STARS = Success!

Your Junior Travel Ambassador Team will help you get higher accreditation.

They can work through the online scheme to promote the STARS messages, run competitions and champion change that helps everyone. Look up on STARS to see the way it works or call us in to help and to ask for recruitment forms, badges and books.

Contact us now for our help setting up this great scheme.

Smarter.travel@haringey.gov.uk

Cycle for Free-dom

Cycle Skills training is FREE

Book cycle skills session with **Cycling Confident**

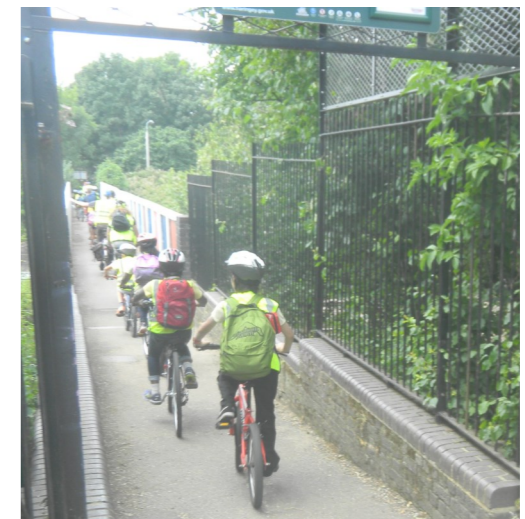

Your students and your colleagues, teaching/ admin/support would all benefit. Why not ask them if they want to de-stress for a couple hours days, evenings or weekends, on a bike.

Book a Bikeability for your pupils 9 yrs and over can take a full course too, maybe inspire them to greater things .
