Dear Peter,

Thank you so much for such a stimulating and, indeed, memorable afternoon in Haringey.

Firstly, as hoped, I learnt a lot - particularly about the examining and funding situation for music education in England, something I really appreciated.

But I also hugely enjoyed spending some hours with you and your excellent colleagues, whose devotion to music - and the classes they teach - impressed me greatly. And how wonderful it was to see all those children playing and singing with such enthusiasm and joy!

Finally, it seemed to me how very lucky Haringey is to have such an inspiring and dedicated leader of its music services.

With all thanks and very best wishes,

George.
