

# Solace Youth Conference

Films, quizzes, speakers and more!

Thursday 11th July, Heartlands High School, N22 7ST

# Hear2Change Youth Conference

Hear2Change is a Violence Against Women and Girls (VAWG) prevention project funded by Community Fund with the aim to build a collective of young people across Haringey & Islington speaking out against violence in their communities.

The focus of the conference is to bring together the bright minds of young people of all genders, backgrounds and experiences in Haringey alongside professionals working with young people to **talk about power**.

We want to discuss the many types of power that exist as well as cultivating awareness of our own power within. We will also explore the importance of collective empowerment to look for solutions and create a better society free from violence, gender stereotypes and pressures to conform so that every young person can achieve their full potential.

**Venue: Heartlands High School**  
Station Road  
Wood Green N22 7TS

**Date: Thursday 11<sup>th</sup> July**  
from **10:30-12:30pm**

Age: 12-21 years

**Why:** This event will be interactive and full of music, free food, debates, great speakers, quizzes and prizes!!!

Don't miss the opportunity to hear young people's voices and inspire them to take action to **'Claim their power to empower'** while becoming **'Leaders4Change'** in your school and community!!
