The governing body of **St John Vianney Catholic Primary School** is consulting on the proposed changes to the school's admissions policy which includes our Supplementary Information Form (SIF) for 2022/2023.

**Please see below our proposed admission arrangements for the 2022/2023 academic year. The school is proposing the following changes to its admission arrangements:**

**We are seeking feedback on the inclusion of paragraph (ii):**

*Within each of the categories listed above, the provision below will be applied:*

- (i) The Governing Body will give top priority, within a category, to an application where compelling evidence is provided at the time of application, from an appropriate professional such as a doctor, priest or social worker, of an exceptional social, medical, pastoral or other need **of the child**, which can only be met at this school.*
- (ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after the children in (i).*

The criteria remains unchanged from the previous year.
