

Wolves Lane Centre

with its magical Palm House - Wolves Lane, Wood Green N22 5JD

Inspire your learning with us!

‘An excellent, hands-on resource that really brings the children’s learning to life.’

Our multi-sensory experience takes you through a desert area, rainforest area with model creatures and into the Palm House where you can see terrapins, goldfish and giant koi swimming in running streams. In the classroom it is possible to handle a range of small creatures that would naturally live in rainforest or desert habitats.

The Education Centre

The school sessions, am or pm, are all linked to the Nat Curriculum and can be adapted to fit in with your early years, key stage 1 or key stage 2 term plans.

We are entirely flexible and can tailor make a session to your requirements.

The café area can be booked to have your packed lunch in wet weather. If it is fine nearby Woodside Park can be used.

For more information on prices and bookings contact our Education Officer on **020 8888 5306** or email angela.appleby@haringey.gov.uk

All visits must be paid for through Haringey Traded Services – www.tradedservices.haringey.gov.uk
