

**Lymphoma**  
association

£15 could pay for an hour of dedicated helpline support, giving comfort and reassurance to people struggling to cope with their diagnosis.

£22 could fund a support group for a month, where people affected by lymphoma can come together and share their experiences to help them feel less isolated.

£70 could train a new volunteer buddy to provide an invaluable source of support and friendship from someone who has truly 'been there'.

Paint
