

# IF YOU WERE AN ENGINEER IN LONDON - - - - - WHAT WOULD YOU DO?

Secondary Engineer  
**LEADERS AWARD**  
London

**E** UCL ENGINEERING  
Change the world

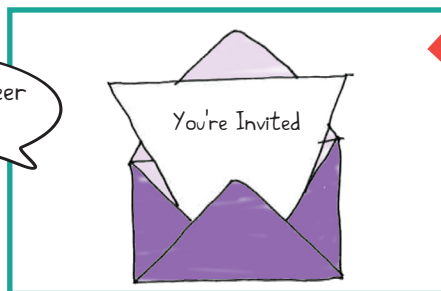

1. Register your school for the competition.

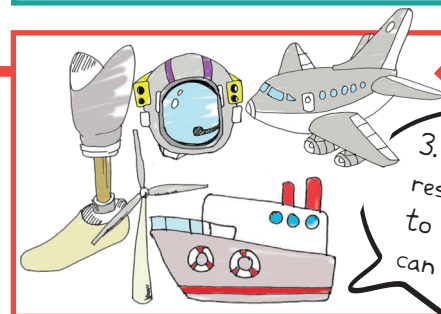

2. Find an engineer happy to visit your school, we can help you with this!

4. Invite the engineer to your school.

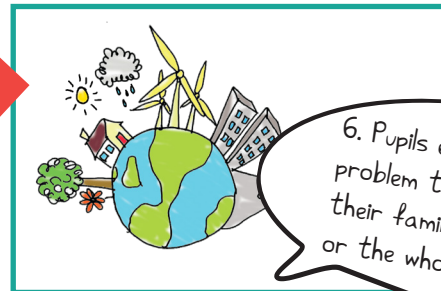

3. Ask your pupils to research engineering and to think of questions they can ask the engineer.

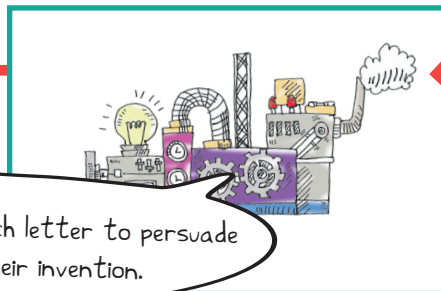

5. Pupils interview the engineer (usually in a group).

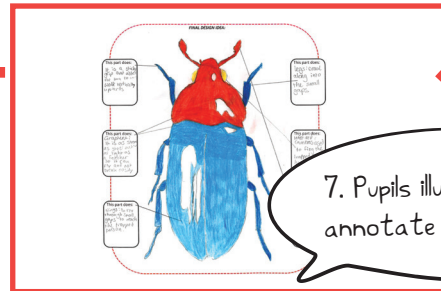

6. Pupils each identify a problem that affects them, their family, their neighbourhood or the whole world.

8. Pupils write a pitch letter to persuade engineers to build their invention.

7. Pupils illustrate and annotate their invention.

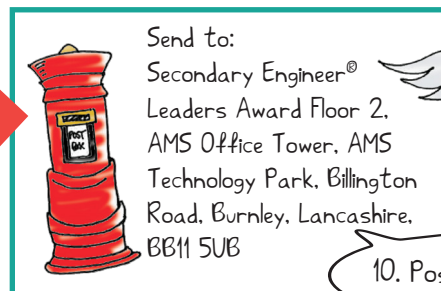

9. Pupils do their paperwork & you do your paperwork.
