The table shows the provisional EY, KS1 and KS2 results for Haringey compared to the national provisional results: light green is above national, dark green is well above national.

Haringey are above the national provisional results in all areas from Early Years to KS2. Where figures are highlighted dark green, Haringey is more than 4% above national.

Provisional EY, KS1 and KS2 results for Haringey compared to national

All subjects at KS2 have shown an improvement from last year except Writing EXS and Progress, which has slightly dipped though remains strong.

It is encouraging that there has been an increase in KS2 reading and maths progress rates despite a significant increase in those pupils' starting points from KS1 (there was an increase in KS1 attainment double the national rate of improvement between 2012 and 2013).

At KS1, the levels reaching EXS are very similar to last year but are a slight improvement in GDS.
