

FFT Education

2018 KS2 & KS4 Roadshows

LONDON

KS2 – 5th October 2018 – Pullman, St Pancras

KS2 – 23rd November 2018 – Etc Venues Victoria

KS4 – 16th November 2018 – The Congress Centre

The Roadshow for schools in the London area

As ever, change is on the horizon and this year's events will focus on key challenges facing schools and the ongoing issue of **effective tracking and measurement of pupil progress**, including a **first look at FFT's new interactive progress tracking tool**.

Alongside this, we will review the latest 2018 national performance trends and you will be provided with an exclusive FFT data report for your school. You will also find out about all the latest current and future FFT Aspire developments plus our new plans for providing schools with interactive access to FFT's national research data.

Our three-hour, presentation led Roadshows will cover:

- **For Primary schools: National Reception baseline assessment** - a look at the potential impact of the new assessment arrangements; includes an exclusive FFT 'Early impact assessment report' for each school looking at progress from EYFS to KS1 and KS2
- **For Secondary schools: 9-1 GCSEs** - 2018 is the first year of 9-1 GCSEs results for most subjects and we will be looking at the impact on school performance, entry patterns and national trends. Includes an exclusive FFT '9-1 GCSEs impact report' for each school
- **A new way to measure and track progress** – A first look at FFT's new interactive pupil progress tracking and data exchange tools
- **2018 national results analysis** – An analytical overview of this year's results
- **New for 2018:** An extended KS1 analysis using scaled scores and for Secondary schools, an enhanced KS5 report
- **ASP and IDSR update** – An overview of the latest reports and analyses for schools in ASP and IDSR.
- **FFT Aspire developments** – A chance to see all the new 2018 developments for schools in Aspire along with our roadmap for 2019.
- **FFT Research plans** – Come along and find out about our exciting new plans for bringing FFT Aspire and FFT Education Datalab closer together

Our half-day Roadshows are led by a member of FFT's expert training team and cost just **£99 + VAT per delegate**. Please visit <https://fft.org.uk/training/> for further information and to book a place.

Come along and find out why over 2,800 schools attended our roadshows last year!
