Cllr Zena Brabazon

Summer in Haringey 2018

From arts and crafts to acting, and skateboarding to sanjuro, scores of exciting activities will be on offer across Haringey this summer, and we're really pleased to be able to share such a diverse programme of events with you.

The council has teamed up with a host of local schools, sports clubs, parks and arts venues to pull together an action-packed programme designed to keep young people and children entertained during the long summer break.

This year's programme is a bumper edition and we are delighted to be able to offer even more activities for young people to enjoy. This is all part of our promise to invest in our young people and ensure they have access to the facilities and opportunities they deserve.

Highlights include week-long sports camps; hands-on activities such as jewellery making and cooking; high-energy activities including boxing, dance and swimming; creative sessions such as film-making and art, and activities including business advice sessions and discussion groups.

Dozens of events are available for free, with just a small fee charged for others, and many don't even need to be booked – you can just turn up on the day and get involved. Venues are spread right across the borough – from Albert Road Rec to White Hart Lane Rec and everywhere in between – meaning everyone in Haringey should be able to take part in a local activity.

You'll find all the details in this guide, including times, dates and locations, as well as information on how to book where necessary, and whether any fee applies.

Additional events and activities can also be found online at www.haringey.gov.uk

Have a great summer, and share your highlights with us on social media using #IAmHaringey
