## 2TR FOOTBALL SCHOOLS OFFER

---

Dear Primary Schools,

Haringey Council are supporting an initiative to encourage after school community activities for children and youth through use of local MUGA's.

The initiative is geared toward a long term community cohesion programme that supports participation in activities, social outreach, intervention and youth enterprise.

2TR Football Ltd (a member of the Lordship Sports Arts Consortium) are working in partnership with Haringey Council to ignite the initiative in Haringey by delivering a new football game called 2 Touch Rulz on a weekly basis on MUGA's near your school.

The game has holistic outcomes for participants that helps develop cohesive thinking and awareness as well as being a fun participation sport.

We value local knowledge for the success of establishing these types of programmes locally and therefore plan to deliver these activities around your own after school programmes.

As attendees will likely include students and parents from your school we would like to introduce ourselves by offering a free 2 Touch Rulz session either on your school premises or in partnership with your school delivered at the local MUGA Harington Park.

The session would last 60 minutes of match only games in a tournament format.

I am happy to discuss in more detail (hopefully before the Easter break) the need and success of our Turn up and Play sessions some of which are already operating with great learning outcomes for beneficiaries.

Please contact either:
