

FAO Headteacher and Chair of Governors
Notification to ALL Haringey Schools via Schools
Bulletin

Date: 10 May 2022

Dear Headteacher and Chair of Governors,

Adjustment to planned admission number at Mulberry Primary for incoming Reception 2022

We are writing to all schools within the relevant area of Mulberry Primary School. Please be aware that the Council as the admission authority for Mulberry Primary School intend to seek approval from the Schools Adjudicator to **decrease** their planned admission number (PAN) for the incoming Reception 2022 cohort (years of entry). This decrease will reduce the number of reception places available at the school for September 2022 from 90 to 60 places.

Under the provisions of The School Admissions Code 2021 an admission authority is required to notify all admission authorities and all governing boards for community and voluntary controlled schools within the relevant area where it is proposing a change to the determined admission arrangements, including a referral to the Schools Adjudicator for an adjustment to decrease the PAN.

I can confirm that we expect to have sufficiency of places based on this reduced number. I would be grateful if you can please cascade this information to members of your governing board.

Your sincerely,

Carlo Kodsi
