

FAO Headteacher and Chair of Governors
Notification to ALL Haringey Schools via Schools
Bulletin

Date: 10 May 2022

Dear Colleagues,

Adjustment to planned admission number at St Mary's Priory RC Infant School for incoming Reception 2022

We are writing to all relevant schools within the local area of St Mary's Priory RC Infant School. Please be aware that the governing board of St Mary's Priory RC Infant School intend to seek approval from the Office of the Schools Adjudicator to **decrease** their planned admission number (PAN) for the incoming Reception 2022 cohort (years of entry). This decrease will reduce the number of reception places available at the school for September 2022 from 60 places to 30 places.

Under the provisions of The School Admissions Code 2021 an admission authority is required to notify all admission authorities and all governing boards for community and voluntary controlled schools within the relevant area where it is proposing a change to the determined admission arrangements, including a referral to the Schools Adjudicator for an adjustment to decrease the PAN.

The Local Authority supports this proposal for a reduction in the PAN because we expect to have sufficiency of places based on this reduced number. I would be grateful if you can please cascade this information to members of your governing body.

Your sincerely,

Carlo Kodsi
